I SAID **YES** TO WITHIT

“Women in the home and furnishings industry need not feel alone and there is a great organization of support out there in WITHIT, come and join us. We all work in many different areas of the business, some are independent contractors, some for large and small retailers and manufacturers, and lot of you have a great support system. But there is nothing like an organization of women that can come at you from all angles and all you have to do is put it out there and ask. WITHIT can connect instantly with a network of contacts, no matter what the need, an instant support group. Most of all we can make it FUN, which we all need more and more.”

Peggy Burns, Circle Furniture

“As a member since 2006, WithIt has provided me with mentoring support as well as a way to give back. WithIt offers formal and informal opportunities to connect with others in the industry who share common experiences and creative opinions.”

Holly Blalock, CR Laine
